

South Hams and West Devon Housing Survey

- Do you need a new home in the South Hams or West Devon?
- Can you not afford to buy or rent your own home?
- Do you have a strong connection to the local area?

South Hams District Council and West Devon Borough Council are keen to identify need in the area to support development programme that will help local communities provide housing to meet their own local needs. For this reason we are asking people who are looking for affordable or more suitable accommodation in the area to complete a short survey.

Please complete the survey online at:
