PUBLIC
CONSULTATION

BURGH ISLAND

HOTEL

Dear local resident

Giles Fuchs and the Directors of Burgh Island warmly invite you to a public consultation regarding the development of Burgh Island Hotel, The Pilchard Inn and the surrounding grounds. We will be hosting two sessions on the day to allow for various commitments and we do hope to see you there.

We would be delighted if you could join us to view our proposals. Our architects and planning team will be on hand during each session to answer questions and discuss with you, our local community, in more detail.

Warmest wishes,
Giles and all at Burgh Island Hotel
